Description

12 Vendôme model silver-plated cake forks.

This is the old size model, in fact the length of these forks is 15.8 centimeters against 14.9 for the more modern size.

You will find in comparison on our gallery, the same series of forks in more modern size.

French work from the mid-20th century, from the famous Christofle house.

The 12 forks are stored in a fabric roll from Christofle, anti-oxidant and compartmentalized, provided for this purpose.

All our parts are restored by our workshop to be as close as possible to new condition.

Specializing in silverware from the house of Christofle, we also sell many pieces of cutlery according to our stock.
