19th Century Aubusson Cardboard With Flower Basket Decor

1 200 EUR

Period : 19th century
Condition : Etat d'usage
Width : 150 cm
Height : 85 cm

Description

Painting on carton canvas from the 19th century in the Louis XVI style decorated with a flower basket in an oblong medallion made up of foliage and floral garlands.
Project used as a basis for the realization of tapestry (most likely sofa seat project).

Former weaving workshop in Aubusson.
Nice size, very fresh colors, unframed piece (we can take care of it on request).

Used condition, in its own juice but healthy.
