

Gold Bracelet With Diamonds And Its Lapis Lazuli Cabochon

4 000 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Vintage gold bracelet made up of gold semicircle patterns articulated together retaining a bezel-set lapis lazuli cabochon on top. On either side of the central gem, 2 semi-circles are set with diamonds. The clasp is ratchet. Period: 20th century Main material: yellow gold, 750 thousandths, 18 carats. Weight of lapis lazuli: approximately 13 carats. Total diamond weight: approximately 0.18 carat. Proportions: Length: 17 cm, width: 13.8 mm, diameter of the lapis lazuli cabochon: 17.2 mm, thickness: 8.6 mm. Net Weight: Approx. 25.6g. Old jewel - Work from the 1950s. Our opinion: Probable transformation of an old vintage watch, this old bracelet fits perfectly on the wrist. The contrast between lapis lazuli and diamonds is elegant.
