Description

What a beautiful atmosphere in this canvas with subtle colors and lights. Very sensitive and really successful work. Clovis Terraire is a painter born in Marseille in the 19th century. (French school). Subject infrequent for him although I found another canvas on the same theme, quite successful indeed. The frame is original, in very good condition and measures 61cm x 52.5cm. The canvas alone measures, 46 cm x 38 cm. or an 8F. in a perfect state.
