Description

(Günther) Erwin Carl Wilhelm Günter (1864-1927), storm with ships n ° 2 Technique: oil on canvas Very good condition Signature: lower left corner Dimensions: with frame 113 cm by 163 cm You will find below information about the artist. (Günther) Erwin Carl Wilhelm Günter (1864-1927) Günther studied painting at the Kunstakademie Düsseldorf. There his teacher was Olof Jernberg. In Düsseldorf, where he became a member of the Malkasten art association, he established himself as a painter of the sea. He made many trips across Europe, from 1890 to the Netherlands, as well as to Egypt and other African countries. From 1891 he was represented at exhibitions at the Munich Glass Palace and from 1893 at the Great Berlin Art Exhibition. For the German sea pavilion at the Universal
