

French School Circa 1910 : "nudes Studies"

290 EUR

Period : 20th century

Condition : En l'état

Material : Paper

Description

French school circa 1900: "Studies of nudes", pencil drawing and burnt red chalk heightened with white stone 47.5 X 31.2 cm, another study on the back. Small lack at the top right, blood stains at the bottom of the drawing.

An "Emile Bernard" annotation at the bottom does not stand up to scrutiny, but I preferred to leave it.

It is on the other hand a superb drawing around 1900/1920, of a large hand, but I do not know which one.

Do not hesitate to ask us for photos or additional information by email or phone.
