Description

Large watercolor, signed lower right F.LLOYDS, dated 1878; representing Saint Paul's Cathedral seen from Southwark Bridge, the Millennium Bridge, more in line, not yet existing at the time. Lots of details on the banks of the Thames at the end of the 19th century, and an anecdotal scene in the foreground: sailors on a boat seem to be going to look for a drifting barrel. Very good state. Provide another frame. Bears the inscription in the cartouche: "Saint Pauls cathedral and Queenhithe from Southwark Bridge. F.LLOYDS, 1878"
