Period : 20th century

Condition : Bon état de maison

Width : 139

Height : 156.5

Depth : 44

Description

Pretty art nouveau sideboard, Ecole de Nancy, production of the Gauthier Popinsignon house (unsigned). In walnut and burl walnut, marble top and beveled mirror pediment. Good condition of the house, to note the mirror a little stung downwards, see photo, not serious. Opens with three doors and a central drawer. Shelving in the central part. Laterally, the doors are domed, surmounted by niches (height in the niches: 39 cm). The pediment has a small shelf at the top, located 39 cm from the marble. The tablet measures 77.5 x 17 deep. Height at marble level: 104 cm. Period early twentieth century, art nouveau.
