Width : 34 cm
Depth : 3,5 cm avec le cadre

Description

Anonymous Dutch School from the middle of the 17th century, Mystical engagement of the saints, oil on copper, with inscriptions on the back.

A fairly popular version of a cult model. The piece is made with grace in the expression of the figures, presented in a close and human manner. The composition has movement and a richness of color. Details such as embroidery, jewelry or the hilt of the sword are worth highlighting.
