Description

Very nice conical shaped vase with a very wide flared neck. It is entirely decorated with berries and their elongated leaves. A magnificent covering and abundant decor !! It rests on a massive base with triple constriction forming three rods. Polished back on which are engraved vertically the name of the artist "Robert" as well as the title of the work "the berries". The vase as high as it is wide at the neck has a beautiful volume and therefore ideal for the delicious small round bouquets that we love so much ... Height: 16, 8 cm Neck diameter: 16, 8 cm Neck thickness: 5mm Good state. He is old and has served. Slight signs of use but no trace of limestone, scratches from friction on the back.
