

Children's Saber Georges IV (circa 1820-1830)

520 EUR

Period : 19th century

Condition : Très bon état

Description

Rare and charming English children's saber from the Georges IV period (circa 1820 - 1830), complete with its scabbard. Polished blade decorated with the monogram of Georges IV surmounted by a crown, as well as the name of the king's furnisher "Prosser (?)" Who made this beautiful saber. Slight surface oxidation on the guard and the scabbard (see photos). The blade is impeccable. Total length: 76 cm
