Description

Superb Linen press in mahogany Sheraton period from the 18th century from England

The Linen press is in two parts and is composed of 4 drawers at the bottom and two doors at the top

Very elegant cabinet which has two ovals on the two doors. This is a typical feature of Sheraton furniture Sheraton (late 18th century)

Very nice symmetry in the two doors as well as in the lower part.

The drawers have an oak interior.

We could eventually convert the upper part into a wardrobe if needed.

Perfect condition. Very nice patina.
