Description

Large statue of Christ crucified in carved wood, with its crown of thorns, emaciated torso and its perizonium, from the early 17th century. This Christ in good condition. It is very decorative due to its large size (82 cm). It is presented on a support (posterior). Missing his arms. A note: some accidents, cracks and lack of time on the Christ (at the level of the legs, feet, crown ...), old wormholes, dirt and wear of time, see photos.
