Description

Very rare fountain with 3 dolphins in faience of Vallauris of gray turquoise color. Signed Auguste Lucchesi Créations Luc. It is in very good condition (some slight shocks but nothing serious). It seems to work, there is a closed circuit pump and an integrated lighting system. Very decorative piece and large dimension almost impossible to find nowadays. It can be disassembled into 3 parts, the base, the basin and the dolphin system. Given the fragility, shipping is not desired. Contact me for quote.
