

Pair Of Dolphin Chairs Empire

1 000 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Description

Pair of armchairs known as "with dolphins" resting on sabre legs in dark mahogany presenting some accidents not important.

Lotus shaped decoration at the connecting stops surmounted on either side of a dolphin's head, forming brace consoles.

Red fabric with golden laurel crowns.

Galon probably added afterwards on the upholsterer nails.
