Pair Of Paintings On Silk China 19th

480 EUR

Period : 19th century

Condition : Très bon état

Material : Linen

Length : 37cm hors cadre

Height : 47cm hors cadre

Description

Lovely pair of silk paintings depicting palace scenes animated by characters. Many decorative details adorn these scenes, furniture, bench, coffee table, shelf, stools, cricket cage, vase of flowers ... The clothes of the characters are finely executed and their faces particularly expressive. Probably dating from the second part of the 19th century, they have remained in excellent original condition. Each is illustrated with a poem and signed with a red stamp.
