

Stoup End XVIIIth In Glazed Earth

180 EUR

Period : 18th century

Condition : Très bon état

Height : 16,5 cm

Description

une Stoup in glazed earthenware, popular work at the end of the 18th century. Ovoid in shape, it consists of a receptacle in the lower part surmounted by a flatter part and drilled to hang it on the wall. The earthenware set is partly decorated with ochre and red ochre decor with geometric designs. Popular work undoubtedly from the Savoy region. Some gears at the base but it remains in a suitable condition considering its age.
