Description

An elegant antique cigarette holder in genuine ivory, featuring a central section of Macassar ivory and delicately adorned with silver trim. A beautiful object of refinement, reflecting the elegant customs of the Roaring Twenties. Presented in its original, exquisitely crafted brown leather case, a rare find that adds to its collector's appeal. The leather is stitched. The holder fits the cigarette holder perfectly. It is undoubtedly original, and the words 'genuine ivory' are embossed in gold lettering. Length: 10 cm. Condition: Very good overall condition. Note a discreet micro-crack at the tip of the mouthpiece, not due to impact, but to the effects of time on the ivory. This micro-crack has no aesthetic impact and does not cause any structural weakness. A beautiful display piece, ideal for a
