Description

Pretty oval pomponne brooch serving as a keepsake holder. Frame decorated with two interlaced strands. Oval view under glass bevelled on the perimeter with a slightly magnifying effect. Very low glass wear. Dimensions at sight: 3cm X 3.7 cm. A second glass on the back and opening on a hinge allows you to insert a photo, a drawing, a souvenir as you wish. (About 2 mm usable in depth). A hooking needle mounted on a hinge and blocked by a hook on which are affixed two punches that I could not decipher. The set is entirely original and has not undergone any restoration.
