Description

Rare "Medusa" chandelier designed by Simone Giovanni Cenedese in Murano. Entirely made of hand-blown Murano glass. It consists of a central round chromed metal sphere on which the 51 mouth-blown glass arms are fixed. 10 transparent glass lighting arms are fitted with bulbs and the other 41 are glass in shades of purple. This chandelier dates from the 2000s. It forms a radiating ball of approximately 80 cm wingspan for a total height of 93 cm. Very good quality of realization entirely handmade, which makes each model unique. Good condition with its original packaging box.
