

Pair Of Nineteenth Stone Vases

920 EUR

Period : 20th century

Condition : Bon état

Material : Stone

Diameter : 25

Height : 41

Description

Pair of sculpted and hollow stone vases from the 1930s in Art Deco style. Beautiful patina for this pair in good condition. Stone carved in one piece. An old chip at the base of one of the 2 chalices does not disturb the appearance of the whole.
