Saglier Frères - Tea And Coffee Service

1 480 EUR

Signature : Saglier Frères

Period : 20th century

Condition : Bon état

Material : Silver metal

Description

Coffee tea service, 5 pieces, consisting of a samovar, a teapot, a coffee maker, a milk jug, a sugar bowl.

All in silver metal from the famous Saglier Frères house and on a Louis XVI style model with crossed ribbons decorations.

Very good condition of the whole, some scratches and shocks of use. Note some silvering in places on the parts:

- The samovar, several points of desilvering only on the pouring part, on the Crossed Ribbon border, and inside. The ebony grip has two scratches on the top, and has been restored and glued on one end. A small shock is present on the pouring part. The base and the burner are in very good condition.

- The teapot, good condition of silver plating, slight shocks in two places forming like a hammering but very little visible on a general view. The interior is in fair condition.

- The coffee maker, light desilvering on the Crossed Ribbons edging and on a blank with slight shocks. The interior is in fair condition. Note, one of the two ivory voting booths is missing on the handle.

- The milk jug, slight silvering on the feet, slight shocks on the sides.

- The sugar bowl, micro de-silvering on the Cross Ribbon border and on the top of the feet. Some small scratches on the sides. The interior in gold metal and somewhat stained.

French work, circa 1900 stamped on each piece with the "SF" hallmark with a star, for Saglier Frères.
