

Portrait D Louis XVI Period, Young Provencal

2 900 EUR

Period : 18th century

Condition : Bon état

Material : Oil painting

Width : 47

Height : 58

Description

Portrait, oil on canvas in oval shape, representing a young woman with a pink dress and lace collar, work from the South of France, Provencal school, Louis XVI period. Beautiful rendering of materials, this "pretty" portrait is presented in good condition, on his canvas of time in a gilded wood frame at sight of time. The whole is very decorative, it is an interesting document because of the costume and the jewelry (including the cross). The size with the frame 68 by 57.
