Description

Flemish Family In The Spirit Of Teniers,
Oil On Canvas From The XVIII Eme Century

"Family of Dutch peasants from the XVII th
century celebrating in an interior.

This oil on canvas is inspired by compositions in
the taste of Teniers, dealing with an aspect
sometimes comical, of the life of the peasants in
Flanders at that time.

our painting here dates from the beginning of the
18th century.

in a modest interior of Dutch peasants, a party
seems to take place around many characters
gathered for the occasion: a mother family holds
baby while father smokes a pipe. around them are
many children some of whom are playing the
flute with perhaps an uncle or friend.
a dwarf seems to be standing near the barrel.
