### Description

Floor or reading lamp with pendulum Lunel edition circa 1950 Tripod base in brass Wooden shaft Brass pendulum arm receiving a large original apricot-colored lampshade Electricity works perfectly LUNEL is a lighting editor by tradition associated with the modern movement for his achievements similar to those of the first French designers. The LUNEL publishing house has notably spread the intervention of lacquered tubular metal or even brass in the creation of lighting. Suspensions, lamps, wall lights or floor lamps, many pieces produced by LUNEL have the same formal, sober and refined style, which makes it a popular editor for collectors with an easily identifiable design. total h: 167 cm depth: 88.5 cm shade: diameter: 39 cm height: 20 cm
