Hènin Et Cie - Pair Of Baluster Sprinkler In Silver

1 280 EUR

Signature : Hènin et Cie

Period : 20th century

Condition : Bon état

Material : Sterling silver

Width : 5,53 cm

Height : 18,8 cm

Description

Pair of solid silver sprinkler baluster in the spirit of the 18th century.

The perforated caps separate and attach to the body of the sprinkler by making a quarter turn to the right.

Very good general condition, note a slight dent on each, one almost invisible in an angle, and the other, a small shock on one side.

Note also a micro crack on one of the two, in an angle (see photos), but not allowing anything to pass.

Very beautiful pieces, ideal for a pretty table.

French work from the end of the 19th, beginning of the 20th century, hallmarked with the neck brace 2nd title, and produced by Hènin et Cie working in Paris from 1896.
