Description

Necklace made of a fall of faceted coral beads, alternated with double beads. The clasp of this antique necklace is a ratchet with safety chain, in yellow gold, 750 thousandths, 18 carats. The latter is set with a cameo on coral representing the face and bust of a young woman. Period: 20th century
Main material: yellow gold, 750 thousandths, 18 carat
Proportions: Total length: 69 cm, widest width: 10.9 mm, height of the clasp: 16.9 mm, width: 13.3 mm. Net weight: approx. 37.5g. Authentic old jewel - Work from the beginning of the 20th century. Our opinion: This old coral long necklace is superb. The material probably originates from the Mediterranean. To find out more Discover the product sheet of this Antique Coral Necklace online.
