

## 18th Century Pipe In Finely Carved Wood, The Furnace Containing A Grinning Bearded Man

530 EUR

Period : 18th century

Condition : Bon état

Length : 24 cm

Height : fourneau : 12,8 cm

### Description

Beautiful and important antique pipe in finely carved wood with the face of a bearded and mustached man grimacing, his mouth slightly ajar in a sarcastic grin.

This is a beautiful stove model of beautiful dimensions.

It is in a good state of conservation and as you will be able to see it presents a very pretty natural patina of time.

However, there is a lack in the lower part of the character's beard (see photos on this subject).
