four are missing (but not visible behind the glasses)

They have been completely re-electrified by a professional and are therefore in perfect working order.

PALWA (contraction of Palme & Walter, designers and founders of the brand) is a lighting company from Germany that after nearly 80 years still exists today, and has a historical worldwide reputation as a manufacturer of beautiful light fittings with their own in-house design department and craftsmen so to be able to produce special one-off designs.
