

## Louis XVI Style Flying Table With Strong Ornamentation

620 EUR

Period : 19th century

Condition : En l'état

Length : 47 cm

Width : 37 cm

Height : 80 cm

### Description

Very pretty little flying table with a drawer on the front and a simulated drawer on the opposite side, very beautiful workmanship, the interior of the drawer is fully veneered, The bronze ornamentation is very rich, it enhances every detail in the sculpture of this small table, The base has an original sculpture, also enhanced with gilded bronzes, It is fitted with a superb marble embedded in a bronze mold, The marble is damaged in several places but has remained complete
