Old Mirror Engraved On The Back Representative Europe On The Toro 27.5x49.5 Cm

2 800 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Length : 49,5

Width : 27,5

Description

Superb mirror crafted in Italy around the 1950s. It was very likely originally framed, as suggested by the irregularities along the edge and a few small chips visible (see the last photo in the series). It is engraved on the reverse and was silvered afterwards. The engraving work is exceptional: it reveals multiple depths and remarkable detail in the mythological scene depicted, showing the goddess Europa being abducted by Zeus, who has transformed himself into a white bull.
