Description

Superb and rare mirror with glazing bead in gilded wood with Chinese decoration in Louis XIV style and from the 18th century. It represents in the center an Asian decoration composed of a boat against a background of architecture and greenery. The perimeter of the mirror is composed of a glazing bead, and the entire gilded wood mirror is finely chiseled, the angles decorated with spandrels decorated with flowers and foliage. Charming mirror with wear of the decor and glazing bead mirrors. Quality work entirely from the period and in its original state of conservation.
