Description

This oil on panel represents the Virgin Madonna, it is a resumption of an older painting. Probably an Italian work, executed with a nice quality, especially in the faces, in the drapes. The work is sold uncleaned, rubbing and wear to be noted. It is beautifully made, no signature to report, taken from a famous painting. The frame is with nice leaf gilding, unfortunately it is rough in many places. And we repeat that the work is sold unrestored. Sold as presented. For the state thank you for detailing the photos. Don't hesitate to zoom in. The photos are an integral part of the description. Dimensions: Frame Height: 43.5 cm Thickness: 4 cm Width: 35.5 cm Painting Height: 31.3 cm Width: 23.5 cm H3344
