Louis XVI Happiness Of The Day Cylinder Desk

1 280 EUR

Period : 19th century

Condition : Très bon

Description

Elegant small cylinder desk in mahogany enhanced with brass threads from the Napoleon III period. By opening the drawer on the front, we activate the cylinder opening revealing 3 storage drawers, an inkwell and a talcum powder. The flap opens to rest on the drawer and provide a work surface. The flap is in mahogany and brass ring, as is the fluted base finished with bronze shoes. Dimensions: height 95 / length 70 / depth 45cm
