Description

Elegant small cylinder desk in mahogany enhanced with brass threads from the Napoleon III period. By opening the drawer on the front, we activate the cylinder opening revealing 3 storage drawers, an inkwell and a talcum powder. The flap opens to rest on the drawer and provide a work surface. The flap is in mahogany and brass ring, as is the fluted base finished with bronze shoes. Dimensions: height 95 / length 70 / depth 45cm
