Antique Very Large Enameled Handnd Painted Ceramic Plate Thoune XIX C 50 Cm Diameter

600 EUR

Period : 19th century

Condition : Etat d'usage

Material : Ceramic

Diameter : 50,2

Description

Imposing plate of size, about 50 cm in diameter in glazed terracotta and enamelled in relief. In the center, an alpine landscape painted in oil on the varnished surface, we note some drops of paint due to the fact that the varnish below, does not constitute a firm support for an oil painting, We sell it as is but, if the purchaser wishes, we can ask a professional for a painting restoration estimate.
