Description

Pretty branch of red Mediterranean coral mounted on a plinth in white amboyna veneer. Very delicate, it benefits from several ramifications and still has, which is rare, most of its endings. A superb enhancement thanks to the refined workmanship of this precious wood plinth. Very beautiful color of a beautiful deep red. The color is really red, like in the photos. Dimensions: Total height: 12 cm Coral height: 5.2 cm Base height: 6.7 cm and 4.3 cm side An elegant and refined piece, ideal for a cabinet of curiosities. A unique object! Many other objects to discover in my stand at the antique fairs in which I participate. Follow my gallery to be informed of news and to know the dates of the next Trade Shows ... Questions?
