| Description |
|-------------|
|-------------|

RARE cigar humidor with representation of a dog standing guard in front of his kennel.

Popular Art work, said of the Black Forest (production of Brienz in Switzerland).

Nineteenth period.

The roof of the "niche" opens and reveals the housing of 24 cigars.

The "niche" is locked and its original key is present.

The dog is made of coppery metal and can be fitted with its chain.

Dimensions:

Height: 18 cm (closed) and 33.5 cm (open).

Length: 23 cm max.

Width: 19 cm max.

IN VERY GOOD CONDITION OF USE, old discreet collage on the roof (see last photo).
