Description

Beautiful Transition style chest of drawers from the late 19th century all in marquetry with curved sides and Bréche d'Alep marble top Stamp of Louis Giblin cabinetmaker in Cosne sur Loire in the Nièvre: cabinetmakers from father to son, he went to study in Paris before returning in Cosne where he was able to put into practice all his knowledge and manufacture furniture from the drawing to the final design. All his creations are very neat and all the marquetry of precious wood, magnifying glasses ... are made on site in his workshop. Furniture therefore beautifully made and very particular care in all their finishes. On the top, a thick Bréche d'Alep (Bouches du Rhône) marble with a very deep groove. 3-drawer chest of drawers, 2 of which without crossbar decorated with a central medallion in marquetry
