foreign private collections, Diehl will be recognized as the most talented and most inventive cabinetmakers of his time, he s' off in 1885 at the peak of his art. Our furniture is a perfect example of his work extremely painstaking attention to details such as fillets stained wood on the tablet to write yet not visible. Un model close to ours was presented for sale recently and had the honors of the Gazette Drouot the hotel. We will emphasize the rarity of such a piece on the market.
