Description

"Le porchelet à Annecy", oil on canvas by Lucien Jonas (1880-1947), a multifaceted artist who excelled in all areas of painting and drawing. Painter of the armies in 14-18 and painter of the navy, he was an illustrator, painted sumptuous decorations, designed banknotes for the Bank of France, poster artist ... and worked for the French comedy for which he has sketched many drawings and portraits of its members. In short, an artist's life as we rarely see. dimensions of the canvas: 81 cm x 65 cm (small restoration invisible from the front)
