Description

Superb and elegant shepherdess in walnut late 18th century diectory style. It rests on 2 tapered legs and turned on the front and saber on the back. The front crosspiece is slightly arched and the assembly dice are ornamented with diamonds and finely chiseled daisies. The roll-up armrests are supported by sculpted balusters as are the wooden armrests with geometric shapes. Roll-up inverted backrest and cushioned seat for maximum comfort. Bergère of superb quality cabinetry in good state of conservation, covered with a damask velvet of mustard color, comfortable and solid.
