Description

Charming opaline vase with a very fine floral decoration with a butterfly in flight. Very high quality, enamelling with a knife, impressive technique. Bluish decor enhanced with gold on opaline. Elegant cornet shape with small ball at the base and piedouche. No cracks, chipping or restoration, very slight wear of the gilding ... We can say in very good condition for this Napoleon 3 vase, which is therefore at least 150 years old! height: 29 cm Very beautiful old piece, remarkable finesse.
