Description

Arturo Pannunzio (1891-1953), "little girl with cello", ceramic figurine

Born in Campobasso in 1891, Arturo Pannunzio settled in Milan in 1920 where he worked as a modeler for the "Tansini" ceramic manufacturer. In the Thirties he moved to the "V.B.C.M." and here he made for many years a production of small plastics performed by casting and intended for home decoration, with a fresh and spontaneous flavor and which will be replicated even after his death, which took place in Milan in 1953.

Since the Second World War it has managed its own factory.

The figurine is in perfect condition.
