Description

Good proportion for this waxed walnut wood table, which can serve as a presentation table, console, center, desk (provided you use an armchair, lower seat than a chair) Column-shaped base , connected by a flat H spacer and chamfered at the edges. Half-round foot balls. Large band on all four sides. A very large drawer on the side, another smaller one on the front. Four large square nails are inserted on the corners of the table top in line with the legs. A touching restoration on the set is visible. Very nice patina.
Period late 17th or early 18th
Provenance: France
Restoration of use.
Height: 74 cm
Height under the headband: 55.5 cm
Width: 67 cm
