Description

Louis XIII style Anglo-Norman laundry chest, Period mid-18th century, made up of 3 panels with a pot-band on the front and a slightly domed top closing with a working hasp lock. The high front cross member is carved with initials C W G on either side of the lock. The interior consists of a secret eclipette concealing a double bottom. Remarkable patina. Note that similar models have been identified on the island of Guernsey. For more information, do not hesitate to contact us.
