

Italian Middle Table. 18th Century

46 000 EUR

Period : 18th century

Condition : Très bon état

Material : Ebony

Length : 112

Width : 80

Height : 90

Description

Ebony, rosewood with bone inlays. At the top of the scrolls with lions holding a coat of arms on either side. Topped with a plank of different types of marble. The two parts were not born together, but both belong to the eighteenth century and constitute a harmonious whole.
