

Broken Hearted Minoan Ephebe / Large Bronze

5 800 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Width : 67

Height : 83

Depth : 38

Description

Intriguing bronze in the antique style, depicting a bust of an androgyne wearing a Minoene style. The cracked torso adds a romantic character to the melancholy and unfathomable look. Certainly an Italian work circa 1970. We have not found any signature or trace of a founder. Ladder support.
