Description

Eugène Labarre (1872-1950): "A street at night", watercolor and pastel 35 X 25 cm mounted in a golden frame with an inverted slope 41 X 31 cm. BBRRREEE! A real cut-throat, this street! With the moon obscured by the clouds, only a dull glow from an open window, perhaps an inn, reinforcing the symbolist side of the work ... Signed and dated 1903, it bears the date of the framing on the back: 1934 Do not hesitate to ask us by mail or telephone for additional information or photos. We have many objects and paintings to restore in our shop / shambles / depot in Pau where I let myself be invaded a little and for which we prefer selling on site, preferably in lots. Come help us tidy up by buying! Other photos and many other objects in our stores in Pau and Biarritz and on our website: galerielhoste.com.
