

## Empire Period Table Center In Gilt Bronze, 19th Century

650 EUR

Period : 19th century

Condition : Très bon état

Diameter : 26,5cm

Height : 5cm

### Description

A very beautiful centerpiece of a round shape decorated with friezes (pearls, bay leaves and acanthus leaves) resting on three legs decorated with a mascarón and ending in a winding.

Very fine work from the beginning of the 19th century. Magnificent original gilding.

Condition report: the bronze (the gilding) is in a used condition. The mirror is original (some wear of time).
